National AAPI Month Observance Event
Dear Colleagues,

Throughout the month of May, we celebrate the culture, heritage, and countless contributions of Asian Americans and Pacific Islanders. EPA's National Asian Americans and Pacific Islanders Month Observance Event will bring awareness to the contributions and challenges of the AAPI diverse communities that are a fabric of our nation.

I invite you to join me at EPA's national celebration of Asian Americans and Pacific Islanders Heritage Month **Tuesday, May 4th, 2021**, starting at 2:00 p.m. ET via [MS Teams Live Event](#). The theme for this observance is **"Celebrating and Acknowledging Asian American and Pacific Islanders' Significant Contributions to American History."** This theme celebrates the immeasurable contributions of AAPIs who have made and continue to give to our country.

We are honored to have news journalist legend **Connie Chung** as the keynote speaker. Ms. Chung has been a trailblazer in broadcast news. She is the first Asian American and second woman to anchor one of America's major network newscasts. Ms. Chung's experience has helped shape our country's narrative in many ways. The audience will have an opportunity to submit questions during the event.

If you require reasonable accommodations, please join the event via the Zoom Link: [https://usepa.zoomgov.com/j/1\[REDACTED\]](https://usepa.zoomgov.com/j/1[REDACTED]) (Meeting ID: [REDACTED]) *Additional instructions on using Zoom are on the [agency calendar posting](#).*

Please note the schedule change: This training has been adjusted and will now start at 1:30 and end at 3:00pm.

Hello Everyone

This is the 2nd offering of the webinar sent out by The Acting Regional Administrator, David Gray, last week on “*Positively Resilience, Strengthening Essential Skills to Rebound, Recover & Thrive*” (see attached). In that email, David referenced an Outlook Invitation for the webinar. Logistics:

- Please exit the EPA VPN prior to joining Teams
- If you’ve experienced sound issues with your laptop in prior meetings, please use the dial-in number with the Conference ID.
- Please do not create multiple connections, use only your phone or laptop to avoid feedback.
- All participants will be muted.
- There will be a limit of 200 participants.

Please utilize the chat window as well as the “Raise your Hand” feature during the meeting.

If you need an accommodation, contact Terry Roundtree by 12:00pm, May 5th. If you have questions, please contact the EEO Office, Dorothy Whaley (214) 665-8501, or Ben Vasquez (214) 665-6527.

Each of the folks on the agenda will be paired with someone who has expertise working with communities, as a journalist, or both who will play the second half of the conversation. The important thing is that although there is a setup for these conversations they are not scripted and it is ok if they don't go perfectly. If anything, it may be a better

As announced in the [April 22 Mass Mailer](#), EPA launched a new EPA Facility Dashboard that allows us to visualize the current data in a less complex, more useful way and is consistent with the Center for Disease Control and Prevention's COVID tracker that is available on the CDC COVID website.

Dashboard updates include:

- COVID-19 level of community transmission, which is defined by the CDC as the combination from the past 7-day incidence rate and percentage of positive tests. Note that the level of community transmission is based on a 7-days rather than the 14-days used previously.
- Daily percent positive tests and daily new cases over the previous 28 days. While this data was previous used to view trends, we are now using thresholds to determine the level of community transmission (as defined by the CDC).
- Weekly seven-day Incidence Rate, which shows us long-term trends of COVID-19 for each area.
- The percentage rate of people in the commuting area fully vaccinated.
- The percentage of ICU capacity available to care for patients and

To learn more about the changes to the Dashboard, the Office of Research and Development (ORD) is hosting three webinars to provide live demos and answer questions. The MS Teams Live webinars will take place on:

Alfred Müllerer...

A few notes in case these come up in Q&A or otherwise:

- On the Dashboard (data through 5/19), Dallas and El Paso areas still show the level of community transmission as “substantial transmission” but Houston and Tulsa have dropped to “moderate transmission.” (Dallas is close to reaching “moderate transmission.”)
- While the agency Covid intranet page now includes the updated CDC face mask guidance, the Agency Q&A has *not* been updated as to how supervisors should respond if they see someone without a face covering. You may get questions on what compliance with the new mask guidelines will look like in practice.
- For expiring PIV cards – those that are expiring this year actually show as the year **2023** on the face of the card.

- MassMailer on Commitment to Workplace Safety (announcing listening sessions, upcoming survey)

R6 AAPI Heritage Month Event #3 (Final) - Allyship -- Microsoft Teams Meeting

Courage and Compassion Come From the Heart - Allyship with the AAPI Community (and Beyond)

Thursday, May 27, 2021, 10 AM – 11:30 AM CT on MS Teams

[Mr. Fabian De Rozario](#), a business and community leader who has inspired, coached, and trained thousands of people globally will engage participants on the where, what, when, how and why of being an ally. He will also share data and tools on actions we can take as allies.

To commemorate Asian American & Pacific Islander (AAPI) Heritage Month, Region 6's AAPI Special Emphasis Program has been hosting a series of events. The third and last Region 6 2021 AAPI Heritage Month event, titled "**Courage and Compassion Come From the Heart - Allyship with the AAPI Community (and Beyond)**", will be held on **Thursday, May 27, 2021, from 10 a.m. to 11:30 a.m. CT** via [MS Teams](#). In light of the surge in anti-Asian sentiments in the past year, we are hosting a 90 min. virtual program, featuring [Mr. Fabian De Rozario](#), to inform and equip our colleagues with knowledge and tools to help address bias and injustice against people of Asian heritage. This information will also be applicable to address hate and bias against any person being targeted. During these challenging times, we stand united with the AAPI community. Join us for what we promise to be an interactive and engaging session in a safe space.

Also, [check out the Region 6 2021 AAPI Heritage Month Page](#) for a compilation of this month's activities.

For questions, please reach out to Karolina Ruan Lei (ruan-lei.karolina@epa.gov).

Please disconnect from VPN prior to joining the event in MS Teams.
